

WARBLINGTON SCHOOL PRIORITIES

1. Develop an outstanding culture for students and staff. This will be achieved through addressing the following areas;
 - a. Achieving RRR status
 - b. Addressing student relationships and building resilience through GMS
 - c. Eliminating low level behaviour
 - d. Signposting healthy student lifestyles

2. Ensure that the following target groups achieve in line or better than expected progress;
 - a. SEN
 - b. More and most able
 - c. Disadvantaged

3. Ensure that the following subjects achieve at least in line with or better than National Average;
 - a. Geography
 - b. Maths
 - c. MFL
 - d. Science

4. Ensure students in KS3 make maximum progress through robust implementation of the following strategies;
 - a. PLC
 - b. Mastery statements
 - c. Literacy strategies
 - d. Homework
 - e. Transition

5. Develop a 3-year KS4 strategy.
 - a. Transition between KS3 and 4 in year 9 that sets high expectations, gives the 'Big Picture' audits skills and teaches study and revision skills and builds resilience
 - b. KS4 curriculum is robust, challenging and provides the necessary foundation of skills needed for the GCSE or equivalent course across 3 year and 2 year cycles.
